OFFICE OF PETITIONS

In re Application of:	:	
LO, Chiwoe, Wayne, et al.	:	
U.S. Application No.: 10/825,696	:	DECISION ON PETITION
Filing Date: April 15, 2004	:	(37 CFR 1.137(b))
Attorney Docket No.: 6317P090D	:	
For: METHOD AND APPARATUS FOR	:	
MULTIPLE CHARGED PARTICLE	:	
BEAMS	:	

This is a decision on the petition under 37 CFR 1.137(b), filed May 31, 2005 to revive the above-entitled application.

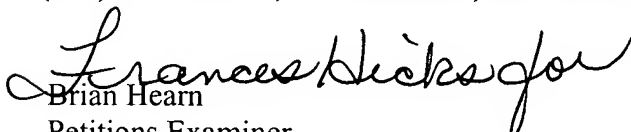

The petition is **GRANTED**.

The above-identified application became abandoned for failure to file a proper reply in a timely manner to the Notice To File Missing Parts Of Nonprovisional Application mailed June 28, 2004, which set a period of reply of two (2) months. A response was not filed and no extensions of time under the provisions of 37 CFR 1.136(a) were obtained. Accordingly, this application became abandoned at midnight on August 28, 2004.

The present petition satisfies the conditions for revival pursuant to the provisions of 37 CFR 1.137(b) in that it includes: (1) the reply in the form of a response to the Notice To File Missing Parts Of Nonprovisional Application mailed June 28, 2004 (i.e., an executed declaration and the surcharge for late filing of the declaration); (2) the petition fee; and (3) the required statement of unintentional delay. Accordingly, the reply to the Notice To File Missing Parts Of Nonprovisional Application of June 28, 2004 is accepted as having been unintentionally delayed.

The application file is being referred to the Office Of Initial Patent Examination.

Telephone inquiries concerning this decision should be directed to Richard M. Ross at (571) 272-3296 or, in his absence, the undersigned at (571) 272-3217.
